For Tickets go to www.edisondrama.com

The timeless story of a lonely young lady, an independent prince, and how a fairy godmother helps bring them together at a royal ball comes to the stage in CINDERELLA. With a delightful score by Richard Rodgers and Oscar Hammerstein II, CINDERELLA is ready to enchant audiences of all ages once again - the ultimate musical fairy tale!

"We have some stellar talent this year, so we expanded the number of performances and we double-cast key roles in the show," said Edison theatre director Jeffrey Walker. "We have two actresses alternating Cinderella. The double-casting also includes the Fairy Godmother, the Step Mother, and one of the wicked Stepsisters. All of these performers will alternate in different roles," explained Walker.

"Sophomore Sophia Pelekasis will be the wicked Stepmother when she is not stepping into Cinderella's slippers. Angeline Ignacio, a junior, switches between stepsister Grace and the title role." Additional details about casting can be found at the Edison Drama website, www.edisondrama.com.

Tickets are \$5 for children and senior citizens and \$10 general admission, with special rates available for groups of 10 or more patrons. Advance sales and group sales are available through the Edison Drama website; single tickets will be available before each performance, based on availability.
